DONEGAN, THOMAS	3. The complainant, [REDACTED] E, alleges that on 18 Decembe...	WYSINGER, ALFONZA	16-JAN-2014 04:44	Y	N	EXONERATED	As indicated by the prior Exempts this incident was adjudicated by the responding officers and sergeant. There was clearly a troubled individual present as the offender whose guardian admitted needed mental health treatment and medication. The ability of the sergeant to determine/recognize this was prudent and appropriate. Likewise the assigned detective did not reclassify this incident as a hate crime. For the investigator who was not on the scene to second guess the sergeant's decision is inappropriate.

## Accused Finding History

Accused	Allegation	Reviewed By	Reviewed Date/Time	CCR?	Concur?	Finding	Finding Comments
DONEGAN, THOMAS	3. The complainant, [REDACTED] E, alleges that on 18 Decembe...	WALSH, PATRICIA	02-DEC-2013 02:54	Y	N	EXONERATED	After reviewing the referenced complaint and related documents, the undersigned submits a non-concurrence report. The investigation does not support a finding of sustained. The undersigned recommends the finding for this allegation be changed to EXONERATED.
							The investigation determined that police arrived to find the 14 year old, named offender, screaming uncontrollably and using the word 'niggar' for all persons, regardless of race. Further, the juvenile's legal guardian claimed the subject suffered from a bi-polar disorder and had not taken her medicine. The investigation also determined that an unknown male black who accompanied the named offender during the incident also used the derogatory term to the male black victim. A review of all supplementary reports determined that the Detective Division investigated the incident, but did find a basis to change the classification to reflect a hate crime, nor did they make any additional notifications. Lastly, the investigation revealed that, based on the subject's behaviors and statements, it was determined that she was in need of a mental health evaluation and mental treatment.
							Based on the totality of these factors, the investigation supports the conclusion that the subject's actions were not motivated by race, and no notifications were required.
							The undersigned recommends this allegation be changed to Exonerated.

DONEGAN, THOMAS	[REDACTED] ant, [REDACTED] alleges that on 18 Decembe...	GODSEL, DANIEL	15-NOV-2013 05:58	Y	N	EXONERATED	Based upon the submitted reports, it does not appear that just cause has been established to the extent that a finding of "Sustained" is appropriate for failure to make notifications regarding a hate crime or incident. The submitted reports, including the General Offense Case Report, specify the findings of Sgt. Donegan and assigned officers, who record detailed information as to the incident, including facts that dispute the allegation that the incident is motivated by hate. Furthermore, Sgt. Donegan and assigned officers clearly outline facts leading to their determination that the offender suffers from a mental condition, which precluded her from being charged in this incident, and ultimately demonstrates that the incident was not motivated by hate.

Before we begin the formal question and answer statement, I am going to show you a document known as a sworn affidavit. Illinois law (50 ILCS 725/3.8) requires that anyone filing a complaint against a sworn peace officer must have the complaint supported by a sworn affidavit. TALIAFERRO:

[REDACTED]  
Do you have any questions regarding the sworn affidavit?  
No I do not.

TALIAFERRO:

[REDACTED]  
On 18 December 2011, what occurred that prompted you to initiate this complaint?  
The complaint in itself is that there were kids that attacked me. I was walking on the block of 93<sup>rd</sup> and Winchester. I noticed objects being thrown at me. I turned around and I told them to stop because I didn't want any trouble. The female in the group had shouted racial slurs at me, specifically the "N" word.

TALIAFERRO:

[REDACTED]  
What types of objects were being thrown at you?  
Basically pieces of concrete and I don't know what the other type of object was but it was a metal cylinder that had some cords coming out of it. That was thrown as well.

TALIAFERRO:

[REDACTED]  
Was anyone with you?  
No, I was by myself.

TALIAFERRO:

[REDACTED]  
Had you ever seen the kids before?  
No I had not.

TALIAFERRO:

[REDACTED]  
When you told them to stop, what did they do?  
They continued to shout the "N" word at me and continued to throw objects at me.

TALIAFERRO:

[REDACTED]  
What do you mean by the "N" word?  
Nigger.

TALIAFERRO:

[REDACTED]  
Did anyone else shout the "N" word at you?  
It was the African American boy with glasses. He said the "N" word also.

TALIAFERRO:

[REDACTED]  
What was the racial makeup of the kids?  
The girl was White. One boy was Black. The White boy, I believe had brown hair. There was one light skinned boy with brown hair. I believe that he was on a bike.

[REDACTED] After this, I turned toward the girl and told her to stop. At that point the three other boys had run up and started hitting me with their fist. In the attack my glasses were knocked off and they were stepped on during the incident. In doing so there was a small scratch on the right side of my nose. There was a small scratch on the right side of my nose from when my glasses were knocked off of my face. After I was able to shake them off of me, I made my way up to [REDACTED]

[REDACTED] On the way they were still following me and they went back to throwing objects. In this instance, concrete pieces they had found on the way. The girl had hit me with a stick in my arm. When I finally made it up there I called my dad. When he came he had called the police. When the police had come all the kids had started running. The girl was the last one there outside of the [REDACTED] location. She had run and my dad had chased after her all the way to her house. That's where the police had questioned me about the incident. They had asked me to call my dad to ask him where he was at. After my dad had given me the address where he was at, the police had went over there with him while I stayed inside the Pagoda. After they had resolved that with her, everyone was back at the Pagoda and the police had asked me what had happened and they filled out the actual police report. To my knowledge the girl was taken to the Little Company of Mary Hospital because she had a bipolar disorder.

TALIAFERRO:

[REDACTED]  
Who came back with your dad to the Pagoda?  
the police.

TALIAFERRO:

[REDACTED]  
Were any of the males that were throwing objects at you with them?  
No, they were gone. After my dad had called the police they were nowhere to be found.

TALIAFERRO:

[REDACTED]  
Continue?  
Pretty much it ended as they came back. They came back and filed a police report and that is where it ended for that day?

TALIAFERRO:

What else happened?

I believe my dad went to the station and made a complaint on how the crime was not categorized correctly?

TALIAFERRO:

Did you personally encounter the officers after 18 December 2011?

No I did not.

TALIAFERRO:

Have you seen any of the male offenders since that date?

No I have not.

TALIAFERRO:

Did you inform the officer that the offenders used the "N" word?

Yes, I did. I didn't say the actual slur specifically but I told them the racial slurs.

TALIAFERRO:

What did the officers say when you told them about the racial slurs?

They didn't say anything. They asked me to continue with what had happened.

TALIAFERRO:

How is the report classified?

I believe that the report as....at first it was classified as an assault. When my dad went to the station it was classified as a battery. I believe a simple battery.

TALIAFERRO:

Why do you believe that this particular act was a hate crime?

There was the multiple usage of the "N" word and after that they had kept on attacking me eventually trying to beat me down after throwing objects didn't work. They tried to beat me down afterwards.

TALIAFERRO:

How do you know that the girl was taken to the hospital?

I was told by my dad. I believe that the police officer had told my dad and my dad told me.

TALIAFERRO:

Did you personally see her transported to a hospital?

No I did not.

TALIAFERRO:

Have you read a summary of the officer's report?

[REDACTED]  
Yes.

TALIAFERRO:

Did they place in the report that the "N" word was used during the commission of a crime?

[REDACTED]  
Yes, it's in there.

TALIAFERRO:

Do you believe that the officers should have arrested the girl?

[REDACTED]  
Yes as she was the leader behind it all. The boys in the group were going along with what she was doing.

TALIAFERRO:

What was the approximate age of the kids in the group?

[REDACTED]  
They looked about 14-16. No older than 16. I believe that's how old they were.

TALIAFERRO:

I will briefly summarize your allegations on the sworn affidavit. Does this summary accurately reflect your complaint?

[REDACTED]  
Yes.

TALIAFERRO:

Do you have anything that you wish to add or clarify?

[REDACTED]  
No I don't.

TALIAFERRO:

After reviewing the questions asked and the responses given by you, and upon reading the summary of your allegations, are you prepared to sign the sworn affidavit attesting to the truthfulness of your complaint?

THIS IS A SUSPENDED CASE REPORT

-----  
R/D was unable to contact parent of victim, letter sent on 19DEC2011 advising legal procedures.

26-Mar-12

To: Acting Commander Michael Alexander  
022<sup>nd</sup> District

From: P.O. Walter Puchalski, [REDACTED]  
022<sup>nd</sup> District

Subject: [REDACTED]

1. This statement is not being given voluntarily, but under duress. I am only giving this statement at this time because I know I could lose my job if I refuse the direct order being given to me. This "TO/FROM" report should not be considered a verbatim statement but only a summary of requested information.
2. On 18-Dec-11, R/O and his partner P.O. Weber, [REDACTED] were assigned by OEMEC to a "battery in progress" at [REDACTED]. Upon arriving on scene, R/O and his partner were met by off-duty P.O John Brownridge. P.O. Brownridge related to R/O that his son was the victim of a battery and he wanted a female-white offender arrested for a hate crime. R/O's were informed that three males, which included two male-blacks and a male-white as well as a female-white were walking by the complainant's son and the female-white called him a "nigger". An argument ensued between the victim and the offenders. As a result, the offenders threw rocks, a brick and a lamp at the victim. The offenders eventually struck the victim about the face causing a laceration to his face, including the breaking of his eyeglasses. Based on the information given to R/O's they toured the area looking for the offenders with negative results.
3. Shortly thereafter, R/O and his partner received further information through OEMC that P.O. Brownridge had re-located in front of the female-white offender's residence at [REDACTED]. Upon R/O's arrival to that location, R/O observed a 14-year old female-white uncontrollably screaming on her front porch. The complainant informed R/O that the female-white, now known to me as [REDACTED] was one of the wanted offender(s). Fitting was yelling the following on the porch: "I'm not going to the hospital again", "all you niggers" which was directed at everybody regardless of race, "the hospital does not understand me."
4. R/O was told, that [REDACTED] grandmother who is also her legal guardian informed the responding officers that [REDACTED] was "bi-polar". It was also R/O's understanding that per [REDACTED] grandmother, [REDACTED] failed to take her medication for her bi-polar condition. As a result of [REDACTED] very erratic behavior, R/O was informed by his supervisor that [REDACTED] would not be arrested but would be taken to Christ Hospital instead.
5. At no time, did the victim relate to R/O's that while the offenders were in the commission of a battery did anyone use the term "nigger". Conversely, the word was used before the battery actually took place.

6. R/O does not feel a hate crime took place for the following reasons: Illinois law defines a hate crime as, (a) A person commits hate crime when, by *reason* of the actual or perceived race..." In R/O's opinion based on [REDACTED] conduct it was readily apparent that she is a very mentally sick individual who is in dire need of medical attention. In addition, based on Illinois "accountability" law, 720 ILCS 5/5-2, if [REDACTED] were charged with a hate crime, the two male-black offenders would have likely been charged as well.
7. Based on the fact that there was a supervisor on-scene, R/O made no notifications to determine if a hate crime took place.
8. In closing, on a personal note R/O's wife is African-American as well as our daughter. R/O can certainly understand the anger on the part of the complainant. However, based on the circumstances presented to all of the responding officers as well as the supervisor(s), a hate crime did not take place. Sadly, what took place was a very mentally unstable 14-year old girl using a very ugly and vile term which she did not seem capable of understanding. Personally and professionally R/O would never intentionally overlook a potential hate crime.

P.O. Jaime Weber # 19588 is writing this report to answer the below listed specific questions to be address in the above Complaint Register Investigation.

This statement is not being given voluntarily, but under duress. I am only giving this statement at this time because I know I could lose my job if I refuse the direct order given to me by Investigator/Officer Christopher Taliaferro # 14979 to answer his specific questions. This To-From report should not be considered a verbatim statement but only a summary regarding the requested information.

**SUBJECT: Complaint Register Investigation** [REDACTED]

Sergeant Thomas Donegan [REDACTED] is writing this report to answer the below listed specific questions to be addressed in the above Complaint Register Investigation.

This Statement is not being given voluntarily, but under duress. I am only giving this statement at this time because I know I could lose my job if I refuse the direct order given to me by Investigator/Officer Christopher Taliaferro [REDACTED] to answer his specific questions. This "To-From" Report should not be considered a verbatim statement but only a summary regarding the requested information.

**Question 1: On 18 December 2011, at approximately 1600 hours, did you supervise the assignment of a battery in-progress reported under event [REDACTED] and recorded under [REDACTED]**

Answer: Sergeant Donegan responded to a battery in-progress call at [REDACTED] Street at approximately 1600 hours on 18 December 2011.

**Question 2: What occurred when you arrived on-scene? Provide specific details of what transpired immediately upon your arrival.**

Answer: Upon his arrival at [REDACTED] Sergeant Donegan spoke with the victim of the battery, asking him if he needed medical attention (he declined). Sergeant Donegan obtained a description of the offenders and gave a flash message over OEMC Zone 9. While at [REDACTED] Sergeant Donegan and responding officers were given additional information over Zone 9 that an off-duty officer was holding the boot of one offender and was standing in front of her house at [REDACTED]

**Question 3: Did you subsequently relocate to the residence of one of the known offenders, [REDACTED] at [REDACTED] If yes, state in detail each person that you spoke to at that residence and the nature of your conversation with them.**

**SUBJECT: Complaint Register Investigation [REDACTED] Page 2**

Answer: Sergeant Donegan responded to [REDACTED] The first persons Sergeant Donegan spoke with were responding Officers Walter PUCHALSKI [REDACTED] and Jaime WEBER [REDACTED] who were working on Beat 2221. The officers pointed out off-duty Officer John BROWNRIDGE [REDACTED] to Sergeant Donegan. Sergeant Donegan spoke with Officer Brownridge, who related that he worked in the 5th District and his son was beaten in a hate crime and one of the offenders was on the porch of a residence he pointed to. Officer Brownridge also pointed out a young female on the porch and said she called him "nigger." Sergeant Donegan looked toward the porch and indeed saw a young female who was yelling at all present, including Caucasian police officers, and using the word "nigger."

Officer Brownridge then presented a boot he said belonged to the young female offender on the porch.

Sergeant Donegan then relocated to the porch and spoke with Officer Michael Wrobel #11688 who was trying to talk to the visibly disturbed young female offender whose name was [REDACTED] Sergeant Donegan tried to talk to [REDACTED] but she continued to scream and yell at him and Officer Wrobel, as well as an older female on the porch. Sergeant Donegan learned the older female was the grandmother and guardian of [REDACTED]

**Question 4: While at the residence were you informed by anyone that [REDACTED] was bi-polar and had not been taking medication? If yes, state in detail who informed you of this and what was said.**

Answer: Sergeant Donegan was informed by [REDACTED] that [REDACTED] was bi-polar and took medication for this problem. [REDACTED] told Sergeant Donegan [REDACTED] did not take her medication.

**Question 5: What evidence was provided to you that [REDACTED] was bi-polar, and what evidence was provided you that Fitting had not taken her medication?**

Answer: Sergeant Donegan does not recall being provided evidence by anyone that [REDACTED] was bi-polar, other than the word of her grandmother/guardian. The evidence that [REDACTED] had not taken her medication was in her actions on the porch while Sergeant Donegan was on-scene: [REDACTED] was visibly disturbed, screaming at everyone present and using all manner of obscenities.

**Question 6: What was your justification for not arresting [REDACTED] State in detail and provide support for your justification.**

Answer: The main reason for not arresting [REDACTED] was that fact that she was in need of an immediate mental health evaluation, as Sergeant Donegan observed. Her

grandmother/guardian agreed to have CPD transport her to the hospital to ensure she went. Additionally, [REDACTED] is a juvenile, and once she was placed in custody, the custody clock would begin. Needing a mental health evaluation would require that [REDACTED] [REDACTED] be in secure custody for, perhaps, longer than allowed. It was also determined by Sergeant Donegan that if arrested, [REDACTED] would only be charged with Battery, a misdemeanor. The victim would be able to follow up with officers at a later time and have [REDACTED] arrested.

**Question 7: Did you instruct the responding officers not to arrest [REDACTED] If yes, state in detail your justification for doing so.**

Answer: Sergeant Donegan did instruct the responding officers not to arrest [REDACTED] [REDACTED] Sergeant Donegan told the responding officers it was his decision not to arrest [REDACTED] The main reason for not arresting [REDACTED] was that fact that she was in need of an immediate mental health evaluation, as Sergeant Donegan observed. Her grandmother/guardian agreed to have CPD transport her to the hospital to ensure she went. Additionally, [REDACTED] is a juvenile, and once she was placed in custody, the custody clock would begin. Needing a mental health evaluation would require that [REDACTED] [REDACTED] be in secure custody for, perhaps, longer than allowed. It was also determined by Sergeant Donegan that if arrested, [REDACTED] would only be charged with Battery, a misdemeanor. The victim would be able to follow up with officers at a later time and have [REDACTED] arrested.

**Question 8: Did the victim and complainant, [REDACTED] inform you that racial slurs, specifically the word "nigger," had been used by the offenders while in the commission of a battery against [REDACTED] If yes, state in detail what he informed you of.**

Answer: The complainant, off-duty Officer John Brownridge, did inform Sergeant Donegan that the word "nigger" was used by [REDACTED] He said she used it when his son was being beaten and she used it when he found her at her residence on Winchester. The complainant's son, and victim, [REDACTED] said the word "nigger" was used by [REDACTED] while he was being beaten. He did not tell Sergeant Donegan the other offenders used the word.

**Question 9: What were your justifications for not classifying this incident as a hate crime?**

Answer: Sergeant Donegan did not classify this incident as a hate crime for the following reasons:

When the description of the offenders was given, it included two male blacks who participated in the beating of the victim.

**SUBJECT: Complaint Register Investigation [REDACTED] Page 4**

While the white female did use the word "nigger," Sergeant Donegan heard her use the word while on the porch screaming at everyone: Caucasian and Hispanic police officers, a black off-duty officer, and a white woman. The word appeared to be a part of [REDACTED]  
[REDACTED] normal vocabulary.

Sergeant Donegan spoke with the victim, who related that he felt he was the victim of a beating solely because he was walking alone and was taken advantage of by a group of teens determined to cause trouble. When speaking with the victim, Sergeant Donegan explained the above reasons why the incident would not be classified as one motivated by hate and the victim said he understood.

Sergeant Donegan explained this to the complaining off-duty police officer, who continued to insist the incident be classified as a hate crime.

**Question 10: Did you make notifications regarding this incident to determine if it was in fact a hate crime? If yes, whom did you speak to?**

Answer: After leaving the scenes on Winchester and 95th Street, Sergeant Donegan went to the 22nd District station and informed Captain Michael Alexander #69 of the incident. Sergeant Donegan told Captain Alexander his reasons for not arresting [REDACTED] and not classifying the incident as a hate crime. Sergeant Donegan also informed the captain of off-duty Officer Brownridge's insistence that the incident be classified as a hate crime. Captain Alexander told Sergeant Donegan he agreed with his assessment of the incident.

Sergeant Donegan believes the investigation of the incident was thorough and the complaint made against him and the officers under his supervision is without merit.

**INVESTIGATION**

On approximately 09 January, the undersigned successfully contacted the complainant [REDACTED] regarding this investigation. The undersigned and [REDACTED] scheduled 18 January 2012, at which time [REDACTED] would appear at the Bureau of Internal Affairs to provide a statement and sign a sworn affidavit.

On 18 January 2012, the undersigned interviewed [REDACTED] who related that on 18 December 2011, he was walking on 93<sup>rd</sup> street, when he noticed objects (pieces of concrete, a metal cylinder etc.) being thrown at him. [REDACTED] stated that he then turned around and asked the unknown offenders to stop. The female in the group, [REDACTED] began shouting racial slurs at [REDACTED] specifically calling him a "nigger." [REDACTED] further related that also in the group, was an African American who used the same term. [REDACTED] stated that the group consisted of a female White, male White, male Black and a male of unknown race. The group then ran up on [REDACTED] and began hitting him with their fist causing a small scratch on [REDACTED]'S nose. [REDACTED] stated that he then ran and the offenders pursued him, still throwing objects. [REDACTED] got away from the offenders and called his father, John BROWNridge, a Chicago police officer. [REDACTED] related that his father arrived on-scene and called the police at which time when the police arrived, the unknown offenders ran. [REDACTED] ran to her residence and J [REDACTED] went as well. The arriving on-duty officers also went to [REDACTED] residence.

[REDACTED] related that the on-duty police officers arrived back at his location, where [REDACTED] informed them of what had happened to him. Immediately thereafter the on-duty officers filled out a police report. [REDACTED] related that his father then informed him that the officers took [REDACTED] G to Little Company of Mary Hospital because [REDACTED] had a bi-polar disorder. [REDACTED] related that he did in fact inform the officers that during the commission of the battery the offenders used the racial term, "nigger." However, [REDACTED] related that the police report initiated by the officers reflected a simple battery rather than a hate crime (Attachment #5).

The undersigned reviewed the Original Case Incident Report which related that [REDACTED] informed the accused officers, Police Officers Walter W. PUCHALSKI [REDACTED] and Jaime WEBER [REDACTED] that the reported offenders, to include [REDACTED] called [REDACTED] a "nigger" which subsequently led to a verbal and physical altercation between the offenders and [REDACTED]. It is further reported that [REDACTED] was not arrested and instead was taken to Christ Hospital pursuant to Beat 2220, Sergeant Thomas F. DONEGAN #1764. The accused officers also reported that pursuant to Sgt. DONEGAN and the accused officer's investigation, this incident was not a racial incident (Attachment #6).

The undersigned received a To/From Report from Police Officer John BROWNridge

[REDACTED] J. BROWNRIDGE related that on 18 December 2011, he went to the scene and was informed by his son, [REDACTED] that several people had attacked [REDACTED]

[REDACTED] J. BROWNRIDGE related that he called the police and informed them of his location, at the offender [REDACTED] residence. J. BROWNRIDGE reported that the accused officers subsequently arrived on scene. J. BROWNRIDGE reported that he did not know who the accused officers spoke to or what was said when they arrived on-scene, but was informed by the accused officers that [REDACTED] would not be arrested because she was bi-polar. The accused supervisor also arrived on-scene and informed the J. BROWNRIDGE of the same. J. BROWNRIDGE reported that he did not observe any evidence that the female was bi-polar and further stated that he informed the accused officers that the incident should be classified as a hate crime. J. BROWNRIDGE reported that the accused officers then informed him that because one of the offenders was Black, it was not a hate crime (Attachment #8).

The undersigned received a To/From Report from the accused officer, Police Officer Walter W. PUCHALSKI #3588. P.O. PUCHALSKI reported that on 18 December 2011, he arrived on-scene at [REDACTED] residence and observed [REDACTED] screaming uncontrollably, "I'm not going to the hospital again" and "All you niggers," which P.O. PUCHALSKI observed to be directed at everyone regardless of race. P.O. PUCHALSKI further reported that [REDACTED] stated, "The hospital does not understand me." P.O. PUCHALSKI reported that [REDACTED] grandmother, who is also [REDACTED] legal guardian, informed him that [REDACTED] was bi-polar and had failed to take her medication for her bi-polar condition. As a result, P.O. PUCHALSKI observed [REDACTED] behavior to be very erratic. P.O. PUCHALSKI reported that he informed his supervisor that [REDACTED] would be taken to Christ Hospital instead of being arrested.

P.O. PUCHALSKI further reported that at no time did [REDACTED] relate to him that the term "nigger" was used in the commission of a battery, but instead informed him that the word was used before the battery occurred. P.O. PUCHALSKI reported that in accordance with the hate crime statute, he does not believe a hate crime occurred (Attachment #12).

The undersigned received a To/From Report from the accused officer, Police Officer Jaime WEBER [REDACTED] P.O. WEBER reported that on 18 December 2011, he arrived on-scene, spoke to [REDACTED] regarding the incident and relocated to [REDACTED] residence. While at [REDACTED] residence, P.O. WEBER reported that he attempted to speak to [REDACTED] about her participation in the reported battery. P.O. WEBER then spoke to [REDACTED] regarding [REDACTED] informed P.O. WEBER that [REDACTED] was bi-polar and was not taking her medication. P.O. WEBER reported that this statement accompanied by [REDACTED] behavior made it evident to him that [REDACTED] was suffering from a mental health issue. P.O. WEBER further reported that he consulted his supervisor, Sgt. DONEGAN, who informed P.O. WEBER that [REDACTED] being a juvenile in need of mental health evaluation, would require a period of time greater than that allowed to keep in custody, only charged with a misdemeanor and that [REDACTED] could later follow-up to have [REDACTED] arrested. P.O. WEBER

also related that this incident was not classified as a hate crime pursuant to Sgt. DONEGAN (Attachment #14).

The undersigned received a To/From Report from the accused sergeant, Sergeant Thomas F. DONEGAN #1704. Sgt. DONEGAN reported that he then relocated to [REDACTED] residence and spoke with J. BROWNRIDGE, who informed Sgt. DONEGAN that his son was beat up in a hate crime and that one of the offenders, [REDACTED] was on the porch. J. BROWNRIDGE related to Sgt. DONEGAN that [REDACTED] had called his son a "nigger." Sgt. DONEGAN further reported that he observed [REDACTED] visibly disturbed while screaming and yelling at Police Officer WROBEL. Sgt. DONEGAN reported that he then spoke with [REDACTED] who informed him that [REDACTED] was bi-polar and had not taken her medication.

Sgt. DONEGAN reported that his main reason for not arresting [REDACTED] was that after observing [REDACTED] behavior, he determined that she was in need of an immediate mental health evaluation. Sgt. DONEGAN also reported that [REDACTED] agreed to have the Chicago Police Department transport [REDACTED] to the hospital to ensure that she went. Sgt. DONEGAN related that it was his decision to not arrest [REDACTED]

Sgt. DONEGAN reported that J. BROWNRIDGE and [REDACTED] did inform him that [REDACTED] used the word "nigger" while [REDACTED] was being beaten. Sgt. DONEGAN related that they did not inform him that anyone else other than [REDACTED] used the word "nigger." Sgt. DONEGAN stated that he did not classify the incident as a hate crime because when the description of the offenders was given, it included two male Blacks who participated in the beating of [REDACTED] that he observed [REDACTED] use the word "nigger" while screaming at everyone in her presence, regardless of their race, that the term seemed to be a part of [REDACTED] vocabulary, and that when Sgt. DONEGAN spoke to [REDACTED] related that he felt that he was a victim because he was walking alone and was taken advantage of by a group of teens determined to cause trouble. Sgt. DONEGAN reported that he related the facts of this incident to Captain Michael ALEXANDER #69, who agreed with his assessment of the incident (Attachment #16).
